1. MEMBERSHIP FEE STRUCTURES

- A. The Member is required to immediately pay any applicable start up costs which are due and owing separate and apart from the monthly dues stated on this membership agreement.
- B. The Member elects to purchase a membership and to pay to New Mexico Sports and Wellness (NMSW) the required total monthly dues as indicated on this agreement under one of the following scenarios:

MONTH-TO-MONTH

I understand that I am committing to a minimum three (3) month membership. The three (3) month period commences on the 1st of the month following the date the membership begins. After fulfilling my minimum three (3) month membership commitment, I understand that the membership may be cancelled at any time with written notice pursuant to the Resignation Policy (Item 4A) and the total dues owing for the membership as well as all discounts and initiation fees are not refundable. EXTENDED PLAN

I elect to pay for the number of selected months on this agreement for consecutive months of member dues plus any club charges (if applicable) made by myself or any other persons included in my membership. I understand that I am committing to a minimum three (3) month membership. The three (3) month period commences on the 1st of the month following the date the membership begins. Member acknowledges that in order to be relieved of the agreement terms, the balance of the dues owed for the remaining months of the agreement must be paid in full. Special consideration can be made if cause for cancellation is based on a medical contingency and written authorization from a doctor is received; or if a member moves 50 miles or more away from the nearest New Mexico Sports and Wellness with proof of new residency. Any Leave of Absence taken during the initial term of this agreement will extend the commitment by the number of months the member's account is on Leave of Absence. Rate for Student/Young Professional memberships will only be honored through the current maximum age for this type of membership regardless of whether the number of selected months on this agreement has expired or not. **AT THE END OF THE AGREEMENT PERIOD CHOSEN THIS PLAN REMAINS IN EFFECT ON A MONTH-TO-MONTH BASIS** and the Resignation Policy (Item 4A) applies. I authorize NMSW to collect payment under the method of payment indicated on the agreement and the balance of the remaining dues owed should I not satisfy the terms of the agreement.

INITIAL: *JD*

Except as expressly provided in this Membership Agreement, no portion of the initial fee or monthly membership dues is refundable, regardless of whether member attends or uses, or is able to attend or use, the facilities or programs of the club.

C. PAID-IN-FULL

I elect to pay my total dues, as indicated on this agreement, in advance in consideration of a discount on yearly dues. At the completion of the prepaid period, my membership will automatically revert to month-to-month billing unless I prepay another year in advance or terminate with a written notice pursuant to the Resignation Policy (Item 4A.). If terminating prior to the completion of the prepaid agreement, a refund will be granted minus the discount percent indicated above. If a renewal of membership is requested by the applicant and approved at the conclusion of the term indicated, I understand that the renewal monthly dues to be charged will be those dues rates in effect at the time of renewal.

D. EFT

All dues and Member charges will be payable monthly (with the exception of annual dues prepayments) and collected by Electronic Funds Transfer (EFT) from either the Member's bank account or charged to an approved credit card. Please notify New Mexico Sports and Wellness (NMSW) at the time you change bank accounts or credit cards and provide the appropriate information to avoid having your old account charged for your monthly dues.

E. DELINQUENT ACCOUNTS

In the event a bank account or credit card is unable to be charged at the designated date, the membership is subject to a late fee. A charge will be issued for checks returned due to insufficient funds and credit cards that are declined when a balance is due. The Primary Member is responsible for all charges incurred.

NMSW has the option of declaring any other indebtedness of the Member to NMSW immediately due and payable, without notice or demand. The Member agrees to pay NMSW a reasonable attorney's fee, court costs and all other expenses incurred by NMSW in making the collection. A. RESIGNATION POLICY

B. DEATH OR DISABILITY

The contract may be cancelled in the event of member's death or total disability during the membership term. Total disability means a condition which has existed or will exist for more than six (6) months and which will prevent Member from using the club. In order to establish death, the member's estate must furnish to the club a death certificate. In order to establish disability, Member must furnish the club certification of the disability by a licensed physician whose diagnosis or treatment is within his scope of practice. Cancellation will be effective upon

establishment of death or disability according to these provisions. In the event that Member has paid membership fees in advance, the club shall be entitled to retain an amount equal to the amount computed by dividing the total cost of the membership by the total number of months under the membership and multiplying the result by the number of months expired under the membership term. As to membership fees paid monthly, dues will be refunded for the month in which written notification is received of the death or disability and the proper documentation outlined above has been provided.

5. MEMBERSHIP POLICY

This membership contract is in force monthly upon payment of dues and other account charges. By submitting this application, the member acknowledges that NMSW reserves the right to refuse membership, or to terminate this agreement at any time without notice. Member agrees to abide by the Corporate Member Regulations and by NMSW Membership Policies as they exist or may be amended from time-to-time.

Furthermore, member understands that should member's account balance become more than 60-days past due, NMSW may cancel the membership at its sole discretion. If the collection process is commenced by NMSW for unpaid amounts, member agrees to pay collection costs, including attorney fees should they be incurred. Member recognizes the inherent risks of participating in an exercise program and hereby holds NMSW harmless from any and all injuries member, and/or member's family might incur in connection with member's membership activities at NMSW. This is our entire agreement; no verbal statements may alter or change its provisions. Except as expressly provided in this Membership Agreement, no portion of the initial fee or monthly membership dues is refundable, regardless of whether member attends or uses, or is able to attend or use, the facilities or programs of the club.

6. MEMBERSHIP ENTRY

I understand cards and/or Club App with proper check-in credentials are mandatory and must be presented upon entering NMSW. These forms of entry are not transferable to another person. There will be a replacement fee for each lost card. I acknowledge that I am responsible for all charges incurred on my membership card.

7. HOURS OF OPERATION

Operation schedules may vary and are subject to change. Schedule of hours of operation and any changes will be posted in NMSW.

8. LEAVE OF ABSENCE POLICY

LOA must state the leave and return date. There is a monthly charge for accounts in LOA (exceptions for medical LOAs may be approved for no charge with proper medical documentation). There will be no retroaction or partial month adjustments. A medical LOA must be accompanied by a doctor's note. If member chooses to cancel their membership while on a LOA, the membership is reinstated, full dues will be charged for the final month of membership and the cancellation policy takes effect. An LOA extends any memberships in an Extended Plan by the number of months the membership is in a LOA status.
